

Welcome to Takundewide Cottages

Takundewide Property is private property for its residents (the owners, their family, and their rental guests). Rental customers may not invite day visitors to the property.

Parking

Limit the number of cars you bring and leave space between cars. Park in lot closest to your cottage. If lot is full, park adjacent to driveways. Do not drive or park on lawn (except to load and unload on non-rainy days—check at office). **Drive slowly; children are playing.** Boats and trailers may be parked in designated areas only, check at office.

Group Gatherings:

Maximum gathering size is 25. Gatherings greater than 20 must have advanced permission (notify the office). Gatherings must be outside the cottage you rented. For groups who rent more than one cottage: gatherings may not be at the same cottage every night.

Lawns and Beach

Only get close to cottage you occupy. Please do not enter the private lakefront at Cottages #1, #6, #7, or #8 or the private property around the Main House (marked on the map). Guests may take outdoor chairs to front lawns but must return them to the cottage after every use. Do not take chairs onto sand unless necessary. If so, limit the time to 1 hour if others are waiting. The number of people on the beach is limited to allow social distancing of at least 6 feet. Guests may take sand toys to beach but must remove them after every use. Beach is “carry-in, carry-out”, there are no trash cans. **Fireworks are not permitted anywhere on the grounds. Do not feed the ducks!**

Swimming Rules:

- **Never swim alone; two or more adults must be present when the beach is in use**
- **Children must be accompanied by a parent or guardian**
- **Swimming is at swimmer’s own risk**
- **Swimming areas are marked with safety ropes and floats**
- **Swimmers must get on the dock when boaters are pulling out or coming into their slips**
- **Boats/jet skis may not be used inside the swim area**

Boathouse Sundecks

Please, do not step on the steel cables on sundeck railings. Number of people on sundecks is limited to allow social distancing. Chairs will be cleaned daily, and users must wipe down before and after each use. To open sundeck umbrellas, gently lift on spokes. **When you leave sundeck, close and tie umbrella.** To close, push up on center collar. Bicycles are not permitted on sundecks. Sundecks at Cottages #1, #6, #7, and #8 are private—for owners and their guests use only.

Docking and Boats

Use only your assigned dock space. Do not board any boat unless it is yours. Do not dock your boat in a way that obstructs others. Docks at Cottages #1, #6, #7 and #8 are for the owner/guest use only. Jet skis must be tied in assigned boat slips when unattended and are not permitted in the beach area. Do not start motorboats if swimmers are in the area. Blow horn when backing out of docks to clear swimmers. **Do not go out on the lake after sunset in a rowboat, kayak, or canoe and always wear a life-preserver.** Remove boat, equipment and life-preservers when not using them.

Tennis

Tennis courts will be left unlocked with doors open. Number of people on courts is limited for social distancing, no spectators. Users must wipe down benches before and after use. If there are others waiting, limit your play to 1 ½ hours. Bikes and rollerblades are not permitted on the tennis courts

Cottages

Cottages are privately owned and furnished. Only enter the cottage and porch of your rental. Do not take indoor furniture outside or any items to another cottage, including outdoor furniture and grills. Only use your cottage's outdoor chairs/chaise, even if your neighbor's chairs are not in use.

Smoking is permitted only outside the cottage you occupy. No tents (for overnight guests or parties). Return the grounds around the cottage to the condition you found them when you arrived.

Please be considerate of your neighbors! Quiet from 10 PM to 9 AM.

Housekeeping

Professionally laundered bath towels, kitchen towels, bed linens, blankets, and pillows in protectors are provided. Do not take any towels or linens outside. Linens for sofa-beds are available by calling the office several hours before you need them. If you are staying longer than 1 week, you may exchange linens and towels once per week **Tuesday-Friday** (contact the office). Let us know immediately if there has been an accident so we can replace and stains don't become permanent. Starter supply of toilet paper, tissues, soap, hand sanitizer, paper towels, and garbage bags are compliments of management. Additional supplies are available at local stores. Before you leave, bag your linens and towels in the orange laundry bag provided.

Fireplaces and Grills

Open fireplace damper before lighting; keep it open until fire is completely out. Keep fuel away from the fire. Never use charcoal or coal in the fireplace. Use screen around fireplace to keep sparks from flying out. Never leave fire unattended. Staff will remove ashes from the fireplace; you should not. If you plan to cook dinner on a gas grill, check propane at the beginning of the day and if you need a refill, let us know a couple of hours before you need it. Fireplace wood and charcoal for grills are available at the local stores.

Trash and Recycling

Management lines each pail with a bag; please bring extra trash bags if you have more trash. Guests must take trash out to the pails outside the cottage for pick up and separately bag trash so it is easily removed from the pail (or there will be a charge of \$100). Staff will pick up bagged trash at each cottage on **Wednesday and Saturday** in July and August. During the rest of the year, pick up is usually on **Wednesdays**. (Holiday schedules may apply). One outside trash can is for recyclables: plastic containers, aluminum, paper, cans and glass. Stack clean newspaper, cardboard and paper bags outside on trash day.

Laundry

A coin-operated laundromat is in the north side of the shed building. Limit to one person at a time. Remove your laundry promptly, others may be waiting. Clean out machines after each use and remove lint from dryer filter. The laundromat is cleaned daily by staff. Users must clean before and after each use, including removing lint and wiping hard surfaces. Management will leave supplies to clean and wash hands.

Pets

Dogs are not permitted on the beach. Pets of any size are not allowed in the cottages except by the cottage owners. Pets must be leashed. Please pick up after them.

*We're sure you will enjoy your stay. However, if there is anything that needs attention let us know immediately. Thank you for choosing to stay at Takundewide Cottages. **Bill and Lynne***
